SUSTAINABILITY DRIVEN

LOS ANGELES REFINERY SUSTAINABILITY HIGHLIGHTS

Our Los Angeles refinery, located in Los Angeles County near Los Angeles Harbor, stands as the largest refining facility on the West Coast. As a major producer of clean fuels, the refinery processes heavy crude from California's San Joaquin Valley and Los Angeles Basin, along with crudes from the Alaska North Slope, South America, West Africa, and other international sources. The facility supports regional energy demand through operations that emphasize environmental stewardship, strong community partnership and promoting a culture of safety. Refined products are efficiently delivered through its connections to several product distribution pipelines and terminals.

AWARDS AND RECOGNITION

2025 Business of the Year

Awarded by BizFed for MPC's continued positive impact across the Los Angeles region

2025 Boys & Girls Clubs of Carson Hall of Fame

In recognition of our longstanding support for local youth and the community

Corporate Impact & Service Award

To Olga Chavez, MPC's Community Relations Representative, by the San Pedro Chamber of Commerce for her decades of community impact

REFINERY AT A GLANCE

Products Manufactured:

- CARB Gasoline
- Gasoline
- Distillates
- NGLs
- CARB Diesel Fuel
- Petrochemicals
- Heavy Fuel Oil
- Propane

365,000+
barrels per calendar day of crude oil refining capacity

1,400+
employees

PROTECTING THE ENVIRONMENT

IMPROVING AIR QUALITY

26% reduction

of criteria pollutant emissions from 2016 to 2025

Sign up for real-time air quality alerts near the Los Angeles refinery

RECYCLING WASTE

1,400+ tons

of hazardous and nonhazardous waste recycled in 2025

CONSERVING WATER

4.1 billion+

gallons of freshwater recycled in 2025

INVESTING IN THE COMMUNITY

2025 COMMUNITY INVESTMENT SNAPSHOT

$3.2 million+

invested in Los Angeles and surrounding communities by MPC and our employees

322 nonprofits supported

2,600+ volunteer hours by refinery employees

NOTABLE GRANTS

WORKFORCE DEVELOPMENT

$45,000 to Juan Rodriguez Cabrillo High School to support its Engineering and Design Pathway, helping students develop technical skills and explore career opportunities in engineering and design

THRIVING COMMUNITIES

$100,000 to Long Beach Public Library Foundation to support its Mobile Studio, expanding access to educational resources

SUSTAINABILITY

$70,000 to Friends of Cabrillo Marine Aquarium to support its Collection Room, promoting environmental education and stewardship

PROMOTING A CULTURE OF SAFETY

A CULTURE OF SAFETY

Our goal is an accident-free, incident-free workplace

Enhanced safety programs focus on:

- Reducing safety risks
- Peer observations and feedback
- Identifying leading indicators of life-altering incidents
- Focusing on human and organizational performance foundational beliefs

Stop-Work Authority

Employees and contractors working at the refinery have the authority to immediately stop work if they believe it poses a risk to themselves, the people around them or the environment.
