

Company Overview MPLX LP (MPLX) is a fee-based, growth-oriented master limited partnership formed by Marathon Petroleum Corporation (MPC). The company's assets consist of a network of common carrier crude oil and product pipeline systems, and associated crude oil and product storage assets in the Midwest and Gulf Coast regions of the U.S.

- NYSE: MPLX
- Shares began trading on Oct. 26, 2012 with closing on Oct. 31, 2012.

MPLX's operations are strategically located within MPC's refining and marketing supply network, and are positioned to provide MPC with a logistical competitive advantage.

MPLX Pipeline Systems Owns, leases or has ownership interest in approximately 2,900 miles of pipeline across nine states. Through MPC's ownership interests in MPLX, it is one of the largest pipeline companies in the U.S. on the basis of total volume delivered.

MPLX Storage Facilities Has several crude oil and product storage facilities (tank farms) located in Patoka, Wood River and Martinsville, Ill., and Lebanon, Ind., with approximately 4.5 million barrels of available storage capacity.

MPLX Barge Dock Owns and operates a barge dock facility located on the Mississippi River near Wood River, Ill., with approximately 78,000 barrels per day (bpd) of available storage.

MPLX Butane Cavern Storage cavern located in Neal, W. Va., with approximately 1 million barrels of available storage capacity for butane that serves MPC's Catlettsburg, Ky., refinery.
