Our Economic Engine

Our six refineries are managed as one integrated system, transferring feedstocks among the refineries to optimize capacity and achieve economies of scale that reduce capital expenditures.

MPC's strategic refinery locations include:

Garyville, Louisiana	490,000 bpd
Catlettsburg, Kentucky	233,000 bpd
Robinson, Illinois	206,000 bpd
Detroit, Michigan	106,000 bpd
Canton, Ohio	78,000 bpd
Texas City, Texas	80,000 bpd

We use a diverse slate of crude oils procured from numerous suppliers that are approximately 60 percent domestic; 30 percent foreign; and 10 percent Canadian.

Solid Corporate Citizen

MPC employees are a part of the social fabric of the communities where they live and work. They give their time and talents, in addition to individual and corporate financial contributions, to help improve the lives of others.
