Sustainability and Public Policy Committee Charter

Amended and Restated Effective July 31, 2024

Statement of Purpose

The Sustainability and Public Policy Committee (the “Committee”) is a standing committee of the Board of Directors of Marathon Petroleum Corporation (the “Company”). The purpose of the Committee is to assist the Board of Directors of the Company (the “Board”) in fulfilling its oversight responsibilities for sustainability, environmental, social and governance (“ESG”) topics and public policy matters. For purposes of this charter, the scope of oversight in these areas includes the Company’s health, environment, safety and security (“HES&S”) performance, climate risk, corporate responsibility, social impact, human rights and political engagement.

Authority

The Committee shall have the authority and responsibility, in its sole discretion, to retain or obtain the advice of a consultant, outside legal counsel or other advisor (an “Advisor”), including the authority to approve the fees and other terms of engagement of any Advisor retained by the Committee to assist the Committee in the performance of its functions. The Committee shall be directly responsible for the appointment, compensation and oversight of the work of any Advisor retained by the Committee. The Company will provide appropriate funding, as determined by the Committee, for payment of the compensation of any Advisor engaged by the Committee. The Committee shall have full access to any relevant records of the Company and may also request that any officer or other employee of the Company, the Company’s outside counsel, inside counsel or any other person meet with any members of, or consultants to, the Committee.

The Committee shall have and may exercise all the powers of the Board, except as may be prohibited by law, rule or regulation with respect to all matters encompassed by this charter. The Committee shall have the authority to engage independent counsel or other advisors, as it determines necessary to carry out its duties.

Membership

This Committee shall be comprised of not less than three members of the Board. The members of the Committee shall be appointed by the Board and shall serve until their successors are duly elected and qualified, or until their earlier death, resignation or removal. The Board shall have the authority at any time to remove one or more members of the Committee. The Chair of the Committee shall be designated by the Board. If the Board should fail to elect a Chair of the Committee or should the Chair of the Committee be absent or unavailable, the members of the Committee may designate an acting Chair of the Committee by majority vote of the Committee membership.

Meetings

The Committee will meet at least four times each year, with authority to convene additional meetings as circumstances require. The Chair of the Committee or a majority of the Committee members may call a meeting of the Committee at any time. All Committee members are expected to attend each meeting, in person or via teleconference. Meeting agendas will be prepared by or under supervision of the Chair of the Committee and provided in advance to members, along with appropriate briefing materials. Any Committee member may submit items to be included on the agenda. The Chair of the Committee will supervise the conduct of the meetings and will have other responsibilities as the Committee may specify from time to time. Minutes of each meeting shall be prepared. If requested by any member of the Committee, time shall be allotted for an executive session of Committee members only and any officer or other employee of the Company or outside advisors the Committee may invite.

Quorum

A majority of the total number of Committee members then in office shall constitute a quorum for the transaction of business at any meeting. All matters shall be decided by the affirmative vote of a majority of the Committee membership present in person or via teleconference at a meeting duly called and held, unless a greater number is required by applicable law, rule or regulation.
