

Eileen P. Paterson

**Former Chief Executive Officer and President
Aerojet Rocketdyne Holdings, Inc.**

Director since 2024

Ms. Paterson is the former chief executive officer and president of Aerojet Rocketdyne Holdings, Inc. (acquired by L3Harris Technologies, Inc. in 2023).

Prior to joining Aerojet Rocketdyne in 2015, Ms. Paterson held various leadership roles with United Technology Corporation (UTC), including serving as president of Pratt & Whitney AeroPower's auxiliary power unit and small turbojet propulsion business from 2012 to 2015. Before joining UTC, Ms. Paterson managed production operations at the Ford Motor Company and Visteon Corporation.

Ms. Paterson is a U.S. Army veteran. She served for seven years as an active-duty U.S. Army aviator and was the airfield commander of Davison Army Airfield in Fort Belvoir, Virginia. She is a distinguished military graduate of the U.S. Army Aviation Officer School.

Ms. Paterson received a Bachelor of Arts degree from The College of New Rochelle and a Master of Business Administration degree from Butler University. She also received an honorary doctorate degree in science from the University of Alabama in Huntsville.

Ms. Paterson serves on the boards of Constellation Energy Corporation and Woodward, Inc. She previously served on the board of governors of the Aerospace Industries Association, the national board of directors of the Girl Scouts of the USA, and the National Space Council's Users' Advisory Group.
