In 2018, annual dues greater than \$50,000 incurred by Marathon Petroleum Corporation for national trade associations totaled \$14.8 million, of which approximately \$1.1 million (7%) was attributable to federal lobbying efforts and approximately \$6.5 million (44%) was attributable to state and grassroots lobbying and broad advertising communications designed to generally promote the energy industry and educate consumers. Approximately \$7.2 million (49%) of Marathon Petroleum Corporation payments made to national trade associations in 2018 was attributable to tax-deductible program-related activities such as training and the establishment of industry standards.
