In 2019, annual dues greater than \$50,000 incurred by Marathon Petroleum Corporation for national trade associations totaled \$17.2 million, of which approximately \$1.2 million (7%) was attributable to federal lobbying efforts and approximately \$8.7 million (51%) was attributable to state and grassroots lobbying and broad advertising communications designed to generally promote the energy industry and educate consumers.

Approximately \$7.3 million (42%) of Marathon Petroleum Corporation payments made to national trade associations in 2019 was attributable to tax-deductible program-related activities such as training and the establishment of industry standards
