In 2021, annual dues greater than \$50,000 incurred by Marathon Petroleum Corporation for national trade associations totaled \$20.2 million, of which approximately \$750,000 (4%) was attributable to federal lobbying efforts and approximately \$11.0 million (55%) was attributable to state and grassroots lobbying and broad advertising communications designed to generally promote the energy industry and educate consumers.

Approximately \$7.6 million (38%) of Marathon Petroleum Corporation payments made to national trade associations in 2021 was attributable to tax-deductible program-related activities such as training and the establishment of industry standards.
