

SUSTAINABILITY *Driven*

LOS ANGELES REFINERY SUSTAINABILITY HIGHLIGHTS

Our Los Angeles refinery, located in Los Angeles County near Los Angeles Harbor, stands as the largest refining facility on the West Coast. As a major producer of clean fuels, the refinery processes heavy crude from California's San Joaquin Valley and Los Angeles Basin, along with crudes from the Alaska North Slope, South America, West Africa, and other international sources. The facility supports regional energy demand through operations that emphasize environmental stewardship, strong community partnership, and promoting a culture of safety. Refined products are efficiently delivered through its connections to several product distribution pipelines and terminals.

AWARDS AND RECOGNITION

2024 Solenis Sustainability Award

For cooling-water modifications projected to save 357 million gallons of fresh water per year

2024 Port of Long Beach Green Flag Award

For participating in a voluntary vessel speed reduction program designed to improve air quality and cut maritime emissions

REFINERY AT A GLANCE

Products Manufactured:

- California Air Resource Board (CARB) gasoline
- California Air Resource Board (CARB) diesel fuel
- Conventional gasoline
- Fuel-grade coke
- Anode-grade coke
- Chemical-grade propylene
- Distillates
- NGLs
- Petrochemicals
- Propane
- Heavy Fuel Oil
- Jet Fuel

1430+ employees

365,000+

barrels per calendar day of
crude oil refining capacity

Protecting the Environment

IMPROVING AIR QUALITY

20% reduction
of criteria pollutant
emissions from
2015-2024

Sign up for real-time air quality alerts near the Los Angeles Refinery

CONSERVING WATER

4.1 billion+
gallons of
freshwater
recycled in
2024

20 million
gallons of fresh water
saved by replacing a
steam turbine with a
more energy efficient
electric motor

RECYCLING WASTE

1,000+ tons
of hazardous and
nonhazardous
waste recycled in
2024

Investing in the Community

2024 COMMUNITY INVESTMENT SNAPSHOT

\$2.79 million+
invested in Southern California
by MPC and our employees

270 nonprofits
supported

1,300+ volunteer hours by
refinery employees

**Celebrated 33 years of our
Summer Youth Internship
Program, providing 1,100+ local
youth with seven weeks of paid
internships and hands-on training**

NOTABLE GRANTS

WORKFORCE DEVELOPMENT: \$170,000 to the Pacific Battleship Center – Freedom of the Seas Campaign supporting education, veterans and community through STEAM programs, maritime career pathways, veteran transition support and public safety training aboard the USS Iowa.

THRIVING COMMUNITIES: \$100,000 to Sharefest – Beautification projects at Dominguez Elementary and Academy of Medical Arts – Carson High to boost student pride and strengthen community ties through youth, employee and Los Angeles Unified School District engagement.

SUSTAINABILITY: \$100,000 to the Marine Mammal Care Center – Ocean Conservation & STEM programs providing hands-on, science based education on marine mammals, ocean ecosystems and sustainability, through labs, outreach and its rehabilitation hospital.

Promoting a Culture of Safety

ENGAGING AND EMPOWERING OUR WORKFORCE

Our goal is an accident-free, incident-free workplace

Enhanced safety programs focus on:

- Reducing safety risks
- Peer observations and feedback
- Identifying leading indicators of life-altering incidents
- Applying the principles of operational learning to help people and teams work safely and effectively

Stop-Work Authority

Employees and contractors working at the refinery have the authority to immediately stop work if they believe it poses a risk to themselves, the people around them or the environment.
