

SUSTAINABILITY DRIVEN

NORTH DAKOTA SUSTAINABILITY HIGHLIGHTS

Our North Dakota facilities are located in Dickinson, in the southwest region of the state, and Mandan, on the Missouri river outside of Bismarck. The Dickinson facility produces renewable diesel from corn oil, fats, greases, and soybean oil. The Mandan refinery primarily processes sweet domestic crude oil from North Dakota. Products at the refinery are distributed efficiently by trucks and rail. The facilities support regional energy demand through operations that emphasize environmental stewardship, strong community partnerships and a culture of safety.

AWARDS AND RECOGNITION

2025 American Fuel & Petrochemical Manufacturers Elite Platinum Award - for the Mandan Refinery

Awarded to facilities in the top 5% of the industry for superior and excellent safety performance and program innovation

2025 American Fuel & Petrochemical Manufacturers Safety Achievement Award for the Dickinson Facility

Recognizes sites that have unique and innovative programs or practices that effectively improve their occupational or process safety performances

FACILITIES AT A GLANCE

Products Manufactured in Dickinson

- Renewable Diesel

Products Manufactured in Mandan

- Gasoline
- Distillates
- Propane
- Heavy Fuel Oil
- NGLs
- Petrochemicals

Dickinson

100+
employees

184+
million gallons of renewable diesel per year

Mandan

320+
employees

72,000+
barrels per calendar day of crude oil refining capacity

PROTECTING THE ENVIRONMENT

IMPROVING AIR QUALITY

29% reduction

of criteria pollutant emissions from 2016 to 2025 in Mandan

REDUCING GHG EMISSIONS

Producing a renewable diesel with typical carbon intensity reduction exceeding 50%

See MPC's latest Perspectives on Climate-Related Scenarios report on our website for details on our greenhouse gas (GHG) intensity and CO_2e reduction calculations.

CONSERVING WATER

100 million+

gallons of freshwater recycled at the Dickinson Renewables Facility in 2025

INVESTING IN THE COMMUNITY

2025 COMMUNITY INVESTMENT SNAPSHOT

$2.46 million

invested in Dickinson, Mandan and surrounding communities by MPC and our employees

357
nonprofits supported

1,100+
volunteer hours by refinery employees

NOTABLE GRANTS

WORKFORCE DEVELOPMENT

$46,000 to Bismarck Public Schools Foundation to support improvements to the shared Bismarck schools sports complex

THRIVING COMMUNITIES

$28,000 to Ronald McDonald House Charities of Bismarck to support housing assistance programs and facility renovations, including flooring upgrades

SUSTAINABILITY

$13,500 to Mandan Parks and Recreation Foundation Inc to support the Urban Trail Project, enhancing outdoor recreation and community connectivity in the region

PROMOTING A CULTURE OF SAFETY

ENGAGING AND EMPOWERING OUR WORKFORCE

Our goal is an accident-free, incident-free workplace

Enhanced safety programs focus on:

- → Reducing safety risks
- → Peer observations and feedback
- → Identifying leading indicators of life-altering incidents
- → Focusing on human and organizational performance foundational beliefs

Stop-Work Authority

Employees and contractors working at the refinery have the authority to immediately stop work if they believe it poses a risk to themselves, the people around them or the environment.
