

SUSTAINABILITY DRIVEN

2025 SUSTAINABILITY HIGHLIGHTS

MPLX AT A GLANCE

MPC's master limited partnership formed to own, operate, develop and acquire midstream energy infrastructure assets.

~18,000

miles of pipeline owned, leased or with ownership interest

135 million

barrels of refining logistics and tank farm storage capacity

~35 million

barrels of terminal storage capacity

11.2 billion

standard cubic feet per day of natural gas processing capacity

819,000

barrels per day of natural gas liquids fractionation capacity

9.4 billion

standard cubic feet per day of natural gas gathering capacity

350

vessels and barges owned and operated through marine business

AWARDS AND RECOGNITION

U.S. EPA ENERGY STAR® Challenge for Industry

achieved by **14 facilities** including **Marathon Pipe Line's (MPL) L.A. Basin Area**, a first in the U.S. pipeline industry to receive this recognition

National Private Truck Council Gold, Silver and Bronze Seal Awards

earned by 21 MPC Transport & Rail fleet locations

International Liquid Terminals Association Platinum Safety Excellence Award

presented to MPLX Terminals

2025 Top Companies for Women to Work for in Transportation

for the fourth year in a row by Women in Trucking Association

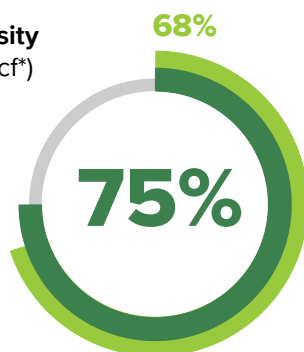

ADVANCE ENVIRONMENTAL STEWARDSHIP

LOWERING OUR CARBON FOOTPRINT

MPLX Methane Emissions Intensity
(methane-scf*/natural gas input-scf*)

● 2030 Goal ● Progress**

75% REDUCTION of MPLX methane emissions intensity by 2030 from 2016 levels

Methane Matters, an enhancement of our **Focus on Methane** program, addresses changing market expectations, advancing technologies and evolving regulations. Through these focused efforts, we project to enable

~16,000 tonnes

of methane emissions reductions per year

CONSERVING NATURAL RESOURCES

22 million+

gallons of fresh water saved across all MPLX operations

99.9999%

of all volumes transported via MPL-operated pipelines were delivered without a spill incident

264 acres

of Wildlife Habitat Council Certified® habitat, powered by Tandem Global and managed by MPL, in Martinsville, Illinois

Biodiversity — Sustainable Landscapes

● 2025 Goal ● Progress**

Applied sustainable landscapes to **10,215 acres** of compatible MPL rights of way, **surpassing** our 2025 goal

EMPOWER OUR PEOPLE

A CULTURE OF SAFETY

Lowest

Occupational Safety and Health Administration (OSHA) recordable incident rate of 0.64 in the past **nine years**

OSHA's Voluntary Protection Program (VPP)

34 OSHA VPP Star certifications across **47** MPLX facilities

ENGAGE STAKEHOLDERS AND COMMUNITIES

BUILDING RELATIONSHIPS

\$1.2 million+

invested in communities by MPLX

\$1.1 million+

in employee donations with company match

\$500,000+

in support to first responders

1,000+

transportation sector employees voluntarily completed training to help prevent human trafficking

730,000+

people reached through the MPL Earning Your Trust public engagement program

* scf: standard cubic feet — a volume of gas | ** Progress as of Dec. 31, 2025
