

About MPC

Overview

Marathon Petroleum Corporation (MPC) is a leading, integrated, downstream energy company headquartered in Findlay, Ohio. The company operates the nation's largest refining system with approximately 2.9 million barrels per calendar day (bpcd) of crude oil capacity across 13 refineries. MPC's marketing system includes branded locations across the United States and Mexico. Speedway LLC, an MPC subsidiary, owns and operates retail convenience stores across the United States. MPC also owns the general partner and majority limited partner interest in MPLX LP, a midstream company which owns and operates gathering, processing, and fractionation assets, as well as crude oil and light product transportation and logistics infrastructure.

- > MPC sells refined products primarily to independent retailers, wholesale customers, our brand jobbers, our Retail segment, airlines, transportation companies and utilities. There are approximately 7,100 branded outlets in 35 states, the District of Columbia and Mexico where independent entrepreneurs primarily maintain Marathon-branded outlets.

MIDSTREAM

- > The Midstream segment primarily includes the operations of MPLX LP, MPC's sponsored master limited partnership, which transports, stores, distributes and markets crude oil and refined products principally for the Refining and Marketing segment via refining logistics assets, pipelines, terminals, towboats and barges; gathers, processes and transports natural gas; and gathers, transports, fractionates, stores and markets natural gas liquids.

RETAIL

- > The Retail segment sells gasoline, diesel and merchandise through convenience stores that it owns and operates, primarily under the Speedway brand, as well as through direct dealer locations. Our Retail segment has approximately 3,900 company-owned and -operated convenience stores across the United States and approximately 1,100 long-term supply contracts for direct dealer locations, primarily in Southern California, and largely under the ARCO brand.

Corporate Values

- > We are committed to creating a valued, dynamic energy company that enhances life's possibilities. Our core values - Safety & Environmental Stewardship, Integrity, Respect, Inclusion and Collaboration - define how we conduct ourselves, and how we do business. By reliably providing affordable, safe and abundant energy from coast-to-coast, we look to power today. We're inspired to make tomorrow even better, and we're just getting started.
