Dear Business Partner:

Marathon Petroleum Corporation, including Marathon Petroleum Company, Marathon Pipe Line and Speedway, ("MPC") is committed to doing business honestly and fairly. We require our employees to conduct themselves with the highest regard for ethics. In keeping with this commitment, we have adopted a Code of Business Conduct ("Code"). The Code acknowledges that our vendors, suppliers and contractors are key participants in our quest for high standards of business conduct.

Certain critical elements of the Code are included in our service contracts with contractors. However, because MPC's Code is critical to our business success, we request that you review its provisions and adhere to the same standards when conducting business on our behalf. We also expect your subcontractors to adhere to the Code when performing work for MPC.

MPC's Code of Business Conduct can be accessed on our web site at: **Code of Business Conduct**

MPC also has a Meals, Gifts and Entertainment Policy which provides guidance to employees for the acceptance of meals, gifts and entertainment from vendors, suppliers and contractors. A summary of this policy is accessible at: **Meals, Gifts and Entertainment**

In order to avoid violating MPC's Meals, Gifts and Entertainment Policy, please review the Summary of Guidelines before planning a function for or giving gifts to MPC representatives.

Should you have questions or concerns regarding the Code or the information contained in this letter, please contact MPC's Business Integrity and Compliance office by either of the methods outlined below:
