Dear Business Partner:

Marathon Petroleum Corporation, which includes Marathon Petroleum Company LP, Marathon Pipe Line LLC and Speedway LLC, (collectively, "MPC") is committed to doing business honestly and fairly. In keeping with this commitment, we adopted a Code of Business Conduct (the "Code"). Our Code acknowledges that business partners such as your company are key participants in our quest for high standards of business conduct.

Certain elements of our Code specifically relate to our business partners. For that reason, we request that you review our Code: **MPC Code of Conduct** and **Speedway Code of Conduct**.

It is our expectation that in doing business with us you will comply with all applicable laws and regulations, including those related to environmental, safety and employment. Business partners that knowingly violate the law, or seek to have MPC employees violate the law or our Code, will be subject to appropriate sanctions, including the possible cancellation of all current and future contracts. In addition, we encourage you to adhere to the following guidelines taken from our Code:

- Report Potential Conflicts of Interest: Our employees must base all business decisions on the value realized by MPC and in alignment with our business standards and goals. Avoiding personal conflicts of interest such as dealing with family members or friends must be properly disclosed and documented. Please work with your business contact at MPC to disclose and document all potential conflicts of interest involving MPC employees and your company.

- Meals, Gifts and Entertainment: The exchange of meals, gifts and entertainment is a common practice in business and can help build better relationships. Although local and industry customs about gifts and entertainment vary, one principle is clear: you should not offer any gift, favor or entertainment to our employees with the intention of unduly influencing their behavior or decision making.

Our Integrity Helpline enables employees to anonymously report unethical or illegal acts, or suspicions of unethical or illegal acts. Our Integrity Helpline is also available to our business partners. If you suspect or have knowledge of illegal or unethical conduct related in any way to MPC, please report it to the Integrity Helpline (855-857-5700; **www.MPCIntegrity.com**; **www.SpeedwayIntegrity.com**).

Should you have questions or concerns regarding the Code or the information contained in this letter, please contact MPC's Business Integrity and Compliance office by either of the methods outlined below:
